

A woman with long white hair, wearing a black dress and black boots, is walking from left to right on a cobblestone sidewalk. In the background, there is a building with a mix of white, green, and orange brickwork. A central wooden door has a small sign with the number '59'. To the left of the door, a bicycle with a basket of flowers is parked. To the right, two more bicycles are parked. The scene is brightly lit, suggesting a sunny day.
